4. Interest is calculated at the rate determined by the Minister of Finance in terms of the Public Finance Management Act, of 1999.

   4.1 Section 89(2) - Unless the amount shown under 'Due by you' is paid on or before the 'Second Date' appearing on this assessment, interest at the prescribed rate calculated from the first 'Due Date' will be payable. According to section 89ter(1A), payments will be allocated to your account in the following manner: first penalties, second interest and lastly tax.

   4.2 Section 89*quat*(2) interest on underpayment of provisional tax has been calculated up until the first 'Due Date' of this assessment, but becomes immediately due for payment.

   4.3 Section 89*quat*(4) interest on overpayment of provisional tax has been calculated up until the processing date of the original assessment.

8. Any amount representing a credit balance is followed by a minus (-) sign.

9. Tax debt or a refund amounting to R100 or less need not be settled or refunded, but will remain on your account. However, interest resulting from this amount will be calculated per note 4 above.

10. As there is an unavoidable delay between the date of payment and the date of processing of the payment to your account, any receipts issued to you after the issue date of this statement of account have not been taken into account.

11. Obligation to pay any amount due is not suspended by any objection or appeal. However, SARS will consider a motivated application for the suspension of payment pending the finalisation of an objection or appeal as stipulated in the Tax Administration Act.
